

Membership Application

Thank you for your interest in the South Carolina Herbal Society. The purpose and mission of the SCHS is to bring the joy of herbs, gardening, simple living and fun back into our lives. Those new to herbs (Seedlings) as well as long-time herbal enthusiasts (Seasoned Herbs) are welcome. The only requirement is a curiosity and love of plants – or the willingness to cultivate these attributes.

It is asked that all members help support the programs and mission of the SCHS. This can be done by recommending programs to your friends and co-workers, by volunteering to help at events, by giving workshops, tending to public gardens that will be installed, or any other way that feels comfortable. For those who already have enough on their plate, your presence and membership support are appreciated.

Benefits of Membership:

- Free monthly member meetings (\$10 for non-members)
- Discounts on specialty workshops
- Discounts on publications and at nurseries (this is a work in progress)
- First-notification of limited-seating field trips
- Access to *SC Herbal Society* blog and e-newsletter

To Join: Send the application and \$25 Annual Dues to: SC Herbal Society, 863 W. Madison Ave., Charleston, SC 29412

What most interests you about Herbal Gardening or what classes would you like to see offered?

Is there an area that you would like help participate in the Herbal Society? (administrative, hosting workshops, teaching, community gardening, etc.)
